

Any new product, technique or procedure is fully evaluated at Tristram Clinic before it is made available to patients.

Sonya provides a FREE 30 minute honest consultation where she will advise what treatment is most suitable to your individual needs, face shape, age and budget.

Give Sonya a call to find out more about these procedures and what would be right for you.

About Sonya

Sonya joined the team of highly regarded professionals at Tristram Clinic in 1993 and was responsible for establishing the Appearance Medicine Clinic.

Her experience with the ageing face is extensive and she ensures she is kept up to date with the latest international techniques, attending regular national and international conferences. Sonya is widely recognised in the industry as she has trained many doctors and nurses in the art of collagen injections throughout New Zealand.

Working closely with Plastic-Reconstructive Surgeons and Dermatologists at Tristram Clinic, Sonya ensures the best possible outcome for all patients.

"When a patient looks in the mirror after treatment and goes "Wow! I look amazing..." I know they are happy and their self-confidence goes to a new level. This has to be the best job in the world. Each day I make a difference to a person's life and that is extremely rewarding."

Sonya specialises in the following non-surgical procedures:

- Botulinum Toxin injections
- Dermal fillers for fine and deep lines
- Dermal fillers for volumising the ageing face
- Lip enhancement
- Treatment of excessive sweating
- Facial peels
- Skin tags, Milia extraction
- IPL - Intense Pulse Light for photo-rejuvenation, facial red veins and hair reduction.
- Thermage - skin tightening
- Medical grade skincare

"My work is a form of art. I know I have done a good job when a person looks naturally beautiful, not frozen or overdone"
